

Professional Staff

At Sussman Shank, we understand that our professional staff is an essential part of the team that helps us provide high-quality legal services to our clients.

We offer a range of positions for professionals with various backgrounds and skill sets, including paralegals, legal assistants, administrative staff, and more. We value diversity and inclusivity in our workplace and are committed to providing equal opportunities for all qualified applicants.

If you are interested in joining our team, please explore our current job opportunities and submit your resume for consideration. We look forward to hearing from you!
