Our message about COVID-19

MARCH 12, 2020

We are closely monitoring the developments regarding COVID-19. At this time, Sussman Shank LLP will remain open and we are committed to serving our clients and conducting business as usual.

The health and safety of our employees is our top priority. In the event our office should close due to an outbreak or quarantine, we are prepared to act quickly and have a contingency plan in place. Our plan will allow our firm to continue to work and provide service as seamlessly as possible. Our attorneys and professionals are equipped with the technology to work remotely and will be available to assist clients.

We will continue to communicate any updates or changes as we navigate this evolving situation.
