Strong at Sixty – Sussman Shank LLP Celebrates 60 Years

FEBRUARY 26, 2020

It's a new year, a new decade, and we have officially reached another notable milestone: our 60th Anniversary.

Sussman Shank was founded in 1960 by Gilbert Sussman and his brother Maurice, as a small business law firm in Portland, Oregon. Today, we have grown to 35 attorneys, as a full-service firm, serving a diverse range of clients in business, litigation, and commercial restructuring and bankruptcy.

Throughout the years, Sussman Shank has demonstrated excellence through our legal services, client service, and our commitment to community. The firm has grown to be nationally recognized in several practices, serving as counsel to public and private companies, government entities, institutions, non-profit organizations, and individuals.

As we reflect on the past 60 years, through the growth of our firm and the ever changing business landscape – some things remain the same – our emphasis on employees and our workplace values. This dedication has allowed us to achieve the highest standards in workplace practices. In 2020, we have once again been named one of the 100 Best Companies to Work For in Oregon, for the 14th year.

Thank you to our clients, colleagues, employees, and friends for being a part of our journey. We look forward to having you be a part of our continued success.
