Sussman Shank LLP Named One Of The 2018 “100 Best Green Workplaces in Oregon”

APRIL 02, 2018

Sussman Shank LLP is proud to announce that our firm has been named one of the 2018 “100 Best Green Workplaces in Oregon” by Oregon Business Magazine. This marks our seventh year on the list. Our employees place a high value on sustainable practices, implementing a variety of green policies at our firm which have led to our consistent ranking.

The annual green survey was part of the 100 Best Companies and 100 Best Nonprofits surveys conducted last fall and spring. More than 13,500 employees took part in these two surveys.

Sussman Shank has a Sustainability Oversight Committee that regularly meets and drives the firm’s green initiatives and efforts. “Sussman Shank works hard to practice sustainability at work, and it is always rewarding for our efforts to be recognized. Being one of the 100 Best Green Workplaces in Oregon is very important to our firm, and we are proud to be featured on the list once again,” says Thomas Jerin, Chair of the firm’s Sustainability Oversight Committee.
