Sussman Shank LLP Named One of the 2023 “100 Best Green Workplaces” in Oregon

JUNE 09, 2023

Sussman Shank LLP is proud to announce that our firm has been recognized as one of the “100 Best Green Workplaces” of 2023 in Oregon by Oregon Business Magazine.

This marks our thirteenth year on the list, which is a testament to our dedication to sustainability and environmental stewardship. Our firm is just one of four law firms to be placed on the list this year.

The “100 Best Green Workplaces” ranking acknowledges organizations in the state that have demonstrated commitment to sustainable initiatives. The rankings are determined annually by an anonymous employee survey and an independent assessment of the employer’s sustainability practices.

Sustainability is an integral part of our firm’s values and culture. We are dedicated to promoting environmentally responsible practices within our organization and beyond.
