Sussman Shank Marks 12th Year on Oregon's 100 Best Companies to Work For List

MARCH 06, 2018

Sussman Shank LLP is proud to announce that our firm has once again been named one of the 2018 “100 Best Companies to Work for in Oregon” by Oregon Business Magazine, marking our 12th year on the list. Sussman Shank was one of just three law firms to make the list, and the only law firm recognized in the Medium-Sized Companies (35-99 Employees) category.

“We are honored to be recognized for the 12th year. We value and participate in the 100 Best program because it helps us focus on our most important asset, our employees,” says Steve Seguin, Sussman Shank’s Chief Operating Officer.

The rankings are based on confidential employee surveys measuring employee satisfaction in five categories: benefits and compensation, work environment, decision-making and trust, performance management, and career development and learning. This year, nearly 9,000 employees participated in the annual survey.
