PERSONAL INTERESTS

Having moved from Northern California in late 2019, outside of the office I am typically found exploring new places in Portland. I enjoy crossing another "must see" or "must try" off my list of Portland dining/places to experience.

My interests include collaging and collecting vintage magazines, taking trips with my fiancé and our two dogs (the cat stays home) to see new sights, and spending time with friends and family. When the weather is warm, I visit the river regularly, as well as enjoy visiting various farms on Sauvie Island for fresh produce and goods.
