PERSONAL INTERESTS

As a true native Oregonian, I enjoy all things outdoors. From crabbing on the Oregon Coast to snowboarding on Mount Hood, I love it all - especially new adventures where I can see the world through my daughters' eyes. I'm a seasoned runner and rain or shine I enjoy running outdoors.

When not outdoors, I enjoy baking and traveling. I enjoy watching football, hockey, and basketball to name a few. I especially enjoy cheering on our Portland Trailblazers.
