## REPRESENTATIVE WORK

---

- Tim and his team tried multiple cases involving federal liability claims and damages and the team has been very successful in challenging cases and venues.
- Defended a complex injury case involving electrical shock in which plaintiff sought millions. A reasonable settlement was reached at mediation.
- Obtained jury verdict for employer on claims of sexual harassment, gender discrimination, and retaliation seeking \$4.5 million in damages.
- Defended a claim for damages resulting from faulty software and won summary judgment against the software maker for full indemnity based on product liability and other theories.
- Successfully tried an employment case to verdict involving claims of retaliatory discharge for filing an injury report.
- Served as lead counsel on several different corporate disputes involving oppressive behavior by the majority shareholders.
- Represented several doctors in disputes with employers and hospitals.
- Mediated and arbitrated cases with favorable results for the clients in many cases.
- Defended a federal case involving claims of permanent disability, complex causation, and damages. After a two-week trial, the jury rendered a defense verdict.
- Filed suit against a third-party involving claims in excess of \$5 million. Convinced the third party and its insurer to accept full tender.
- Handled many claims involving complex contract and Common Law Indemnity issues.
- Obtained a favorable settlement in a federal whistleblower law claim filed before OSHA.
- Represented a trucking company in resolving a trade secret dispute with a former employee.

- Tried a wrongful discharge case for several days until plaintiff accepted an offer to settle the case at the same amount plaintiff was offered before trial.
- Negotiated and obtained favorable settlements in multiple cases involving claims of state law retaliation, ADA violations, age discrimination, disability discrimination, race discrimination, FELA, LIA, SAA, FMLA, and other related claims.
