We provide a full spectrum of legal services from business law and litigation to complex trials, and everything in between.

And while our footprint is regional, we frequently represent clients in court proceedings and business transactions throughout the U.S.

HOW WE'RE DIFFERENT

Our tagline says it all – "Your legal advantage point." At Sussman Shank, we know that there are often many roads to achieving our client's goals. But our approach starts with looking at the pathway, and end-goal, from your point of view. It's not just about achieving your objective, it's about achieving it in a way that aligns with your unique vision, culture, and ideals in mind. That's the difference, and advantage, that we bring to every client representation.

CLIENT SERVICE FIRST

A drive for exceptional client service that provides continuity for our clients as they grow, and we grow, serves as the foundation on which our firm was built. We genuinely care about our clients and, the work we do, and the results achieved. We draw this spirit of exceptional service from our founding partners, who practiced law with the idea that treating their employees, clients, and competitors with respect was at the center of the legal advice they provided.

A REPUTATION THAT PROCEEDS US

Whether individually or as part of our amazing team, we've been recognized for excellence by clients, peers, and numerous business and civic – such as Oregon Business Magazine, U.S. News & World Report and Best Lawyers, to name a few. But perhaps more importantly, our reputation within the legal community is one of legal excellence. Sussman Shank lawyers are well-known as outstanding legal practitioners with a high level of integrity and trust both inside and outside the legal community.
